

[Covering letter to go to neighbouring parish/town councils - Bradford, Broughton Gifford, Staverton, Hilperton, Atworth, South Wraxall, Trowbridge, and Trevor Carbin]

Dear Neighbouring Parish,

HOLT NEIGHBOURHOOD PLAN DRAFT 1.5

The Holt Neighbourhood Plan Steering Group, on behalf of the Parish Council, is pleased to send you a copy of this first draft for information. A copy has been delivered to every household, organisation and business within Holt parish for comments and feedback.

This is very much a first draft and is not subject to the formal six-week consultation period which will happen later. We do, however, want to keep our neighbouring parishes in the picture with how the document is shaping-up.

We are holding two events to gather feedback from the village – in the Village Hall on Saturday 31st May and at the Music Festival on Saturday 7th June.

The draft Plan plus all the supporting documents and feedback forms is also available on the village website and comments can be submitted electronically via www.holtvillage.info/

If you do have any comments, please send these to the Chair of the Steering Group, Heather Morris on 783436, email heathermorris@compuserve.com. The deadline for receiving all feedback on this draft is Monday 30th June.

There will be further consultation as the Plan develops, including meeting the statutory requirements.

With best wishes,

Chair of the Holt Neighbourhood Plan Steering Group
