

HOLT NEIGHBOURHOOD PLAN UPDATE

First of all, a big thank you to everyone who took the time to visit the consultation day at the Village Hall or dropped by our stand at the Music Festival. We are very grateful for all the feedback and comments we have received. If you would still like to comment, copies of the feedback forms (and additional copies of the draft Plan) can be obtained from the Chair of the Steering Group – see below. If you have forms to return, there is a box in the shop to drop them into. Please get everything back to us by the end of June.

We will then analyse the results of this consultation and publish this in full on the village website at www.holtvillage.info/. There will also be a summary in the Magazine.

The next stage will be to create a second draft Plan which we hope will be approved by the Parish Council. This will also go out to consultation with the whole village, plus our neighbouring parishes. The final Plan, as agreed by the village, is then subjected to scrutiny by an external planning inspector appointed by Wiltshire Council. Assuming we can pass this hurdle, the last stage is when the Plan is voted on in a referendum by the whole village.

So, some way to go but we feel we have made an encouraging start. Thanks again for all the support we have received.
