Hi Lisa,

Apologies for my late reply. I have CC'd in the local PCSO for your area holt, Laura.

Laura I will assist with patrols around the area, I am aware there is roadworks in Holt at the moment.

In the mean time if a vehicle is obstructing a junction, please call it in on 101 as appropriate as we do not monitor our emails when we are out and about on shift so may not see the email in time, our communications team can then send a unit promptly 😊 hope this makes sense.

Many Thanks

Kerena WALTERS 3689
