

Dear Parents and Carers,

We launched a Holt Neighbourhood Plan (HNP) review questionnaire at the HSA Christmas Market and we are keen to hear more from families who are part of the Holt community through school or pre-school whether you live in the parish or a nearby one.

This review is community-led, with local residents on the steering group. It is about making sure local views are properly reflected within the next HNP, until 2038, possibly 2042, supported by the Parish Council.

If you have already completed the questionnaire – thank you.

If not, we would really value your thoughts on what Holt needs to be a good place for families now and in the future.

The questionnaire is straightforward and can be completed online by scanning the QR code or using this link:

Paper copies are also available from Holt Superstore, just ask at the counter.

All questionnaires completed by Friday 28 February will be entered into a prize draw.

This is your opportunity to help shape Holt's future for your children.

Kind regards,

Holt Neighbourhood Plan Steering Group
